# Australian Amateur Brewing Championships 2020

The 2020 AABC was hosted by the ACT and Judging conducted on 23-25 October 2020.

The ACT welcomed the opportunity to host the Championships and continue the tradition of the event after Victoria was unfortunately unable to host the AABC and Australian National Homebrew Conference this year (due to the pandemic restrictions) which also prevented themselves and NSW from conducting qualifying events.

The event followed the AABC rules, using the AABC guidelines and requiring entries to have qualified through state/territory qualifying events, with limitations of two entries per category per brewer.
